**TO ALL MEMBERS OF DIASPORA**

**AUGUST 21, 2014**

This is to sincerely extend our heartfelt gratitude and appreciation to all Kenyans in USA who took their time to attend the Diaspora reception in honor of His Excellency President Uhuru Kenyatta both in Washington, DC (August 06, 2014) and in Dallas, Texas - August 09, 2014. We also thank those who were unable to attend but were keen to watch the live-streaming on our website.

The Kenya Embassy in Washington DC wishes to take this opportunity to appreciate the Diaspora in Dallas, Texas who volunteered their services, the large attendance that was remarkable despite the short notice and change of timings for the Presidential visit.

We greatly appreciate your dedication and patriotism accorded to make His Excellency President Uhuru Kenyatta's visit a great success.

Many thanks for all your participation and we look forward to continue working with you for the betterment of our great Nation, Kenya.

Ambassador Jean N. Kamau
